

2009 United Methodist Church Fellowship Fund Report Greater New Jersey Annual Conference

For more than a century the United Methodist Homes has maintained a strong benevolent tradition—the Fellowship Fund. This financial safety net for residents who are no longer able to cover the full cost of their care reflects the Homes’ ministry and the social consciousness of the church.

Currently, each church in the Greater New Jersey Annual Conference is encouraged to give to the Fellowship Fund. The recommended per member contribution is \$2.50; therefore, a church of 100 members has an annual goal of \$250. The Homes’ resolve to uphold this promise to our seniors is due in part to the benevolence of those who give to the Fellowship Fund.

Annually, the Foundation distributes \$2 million for charitable care and \$1 million for capital improvements to benefit residents. We humbly and gratefully thank you for making the Fellowship Fund part of your stewardship. Thank you!
